## SCHOLARSHIP APPLICATION

All program applicants are required to complete this form.

- Scholarship awards are based on a combination of merit and need, only after admission decisions are finalized. IUC is obligated to consider the donor's criteria when making awards.
- IUC scholarship funds are limited. Students are urged to explore all avenues of funding such as FLAS and NSEP as well as private foundations such as the Blakemore Foundation. Most IUC scholarship awards take the form of full or partial tuition grants.
- A sample student budget is available: https://web.stanford.edu/dept/IUC/cgi-bin/resources/index.php
  A married student with accompanying spouse should plan on spending an additional $10-12,000 in living costs.
