\* Mushroom Walk at Butano State Park, Sunday, February 16. Join noted mycologist Bill Freedman to look at some of our local mushrooms. Meet at the entrance station parking lot at Butano State Park at 10:30 AM. The walk will begin with a short lecture that will be followed by exploration inside the park. The walk should last 2 to 2 1/2 hours. February can be damp and cold, so dress appropriately. Bring water and snacks, and possibly lunch in case we are out longer than expected. Group size is limited; RESERVATIONS ARE REQUIRED. Contact Stella Yang at 408-255-6233 for additional information or to make a reservation.

The next Chapter board meeting will be **Thursday, February 13 at 7:00 pm** at the Peninsula Conservation Center, at 3921 E. Bayshore Road in Palo Alto. Chapter board meetings are open to all Chapter members and their guests

---

The California Native Plant Society is a statewide non-profit organization of amateurs and professionals with a common interest in California's native plants. The Society, working with its local chapters, seeks to increase understanding and to preserve the rich heritage of the native flora for future generations. Membership is open to all. Individual memberships are \$35.00 per year. If you have questions concerning a new membership, renewal of a current membership, or if you wish to report a change of address, please contact the Membership Chairperson, P.O. Box 19472, Stanford, CA 94309-9472
