

CS 121 Questionnaire

Name: _____

Draw a self-portrait (or picture)

1. Tell us about yourself! What are your interests/hobbies?

2. What do you know about AI and why are you interested in it?

3. What kind of programming experience do you have? With what languages do you know and/or feel comfortable? For how long or short have you been programming?

4. Is there anything else you would like to let us know? Feel free to tell us here.
