Enroll on Axxess

ENGR110 is one of the classes that satisfies the optional course requirement for the BSME degree.

Contact me if you desire to get a letter grade for the lecture-only one-credit enrollment option.

Who is Disabled?

Disability is defined as a health condition or physical impairment that prevents an individual from taking full advantage of life's opportunities such as education, vocation, recreation, and activities of daily living.

Who is Disabled?

- An individual with ALS cannot walk, talk, or personally perform any of the usual activities of daily living. He has only very limited volitional control of one finger.
- This individual employs a powered wheelchair for his mobility.
- This individual employs a speech output communication device to facilitate his communication.
- The individual is Stephen Hawking, often described as the smartest person alive.
