Sliding Puzzle
Instructions:
The pieces are to be pushed around over the board until the picture is complete. The pieces are numbered so that you will know in which order to put them down. You can only move one piece at a time and the number on each piece tells where to put it next.

Bead Chain
Instructions:
Place beads around until it says what you'd like!

Word Find
Instructions:
Search up, down,
forward, backward,
and on the diagonal
to find the hidden
