

MS&E 273 Technology Venture Formation Legal Video Short Answer

Note: Please submit to the Course Assistants via email or hard copy in class.

1. . What is the definition of Patent given by Dan? (e.g. how long does it last, what is it for?)

2. How are trademarks different from patents?

3. T/F (and why?) As long as you are developing your ideas outside your company or not on university resources, the intellectual property will definitively belong to you.

4. What is the Most Favored Nations clause?
