

## Juniperoldskool-chat List 2003

*Please think back to your use of the chat list this year. In particular, remember the two online conversations we had involving our discussion of the “Booze Not Bombs” party on the email list and also the “Ides of March Madness” emails of betting on when bombing would begin in Iraq.*

Did you ever post on the juniperoldskool-chat list: Yes No

Why did you decide to post on the list?	No, not at all/Rarely/Sometimes/Usually/Yes, always				
	5	4	3	2	1
Wanted to share a personal belief/feeling/opinion (about a social, political, or intellectual issue)	5	4	3	2	1
Wanted to initiate online critical dialogue in the dorm (critical--social, political, or intellectual issue)	5	4	3	2	1
Wanted to respond to others beliefs/feelings/opinions (about a social, political, or intellectual issue)	5	4	3	2	1
Wanted to make a housekeeping announcement (lost and found, meeting time)	5	4	3	2	1
Wanted to publicize dorm events, programs	5	4	3	2	1
Wanted to publicize Stanford or community activities	5	4	3	2	1

Did your online discussion prompt any face-to-face discussion with your dormmates?	5	4	3	2	1
--	---	---	---	---	---

Did any face-to-face discussion prompt any online postings?	5	4	3	2	1
---	---	---	---	---	---

Please think back to the “Booze Not Bombs” emails and the “March Madness” emails, why did you choose to take place in those online discussions? (or why not?) Did any face-to-face conversations result because of these emails (I think there was a house meeting about it...)? Can you remember any conversations? Please write on back ☺

	Not appropriate/Sometimes /Definitely appropriate
