

## Managing Activities by their Statuses

<b>Activity Status</b>	<b>Search Option</b>	<b>Enroll Option</b>	<b>Who can Search/Enroll</b>
<b>Pending</b>	Admin Page	Not Available	It is the default status when activity first created. Only available to administrators.
<b>Active</b>	Search Catalog Admin Page	Self Enroll Admin Page	Learners can Search and Enroll.
<b>Closed</b>	Search Catalog Admin Page	Admin Page	Learners can search but can't enroll. Admin can enroll learners.
<b>Concluded</b>	Admin Page	Admin Page	Not searchable by learners. Admin can enroll learners.
<b>Inactive</b>	Admin Page	Not Available	Whenever an activity becomes inactive, all enrollments (except for those that are completed or incomplete) are automatically dropped. Admin can administer it, can't enroll learners.
