

Request for Graduate Course Waiver/Substitution

Please, one course per form

Background Course Waiver

Master of Science students requesting a background course waiver based on one or both of the following:

- equivalent coursework (attach course outline, description and title(s) of book(s) used) or
- applicable work experience (attach a detailed explanation)

Required SU Course

Dept _____

Course # _____

Equivalent Course or Applicable Work Experience

Course # _____

Course Title _____

Institution _____

Quarter Units _____ Semester Units _____ Lab Units _____

Course Substitution

Master of Science or Doctor of Philosophy students requesting substitute a higher level course to count for core, breadth, or depth requirements. To be eligible for substitution, a course equivalent to the required core, breadth, or depth requirement must have been completed elsewhere or used to satisfy other Stanford degree requirements. The higher level substitute course must list the required core, breadth, or depth requirement as a prerequisite, or have faculty approval that it is a higher level course in the same area as the core, breadth, or depth requirement.

Attach course outline, description and title(s) of book(s) used.
