PROGRAM OFFERINGS FOR SUMMER 2012

JUNE 26 – AUGUST 9, 2012

This summer at Bing Nursery School we will provide a session of our play-based educational program for children aged 2-5. Our project-based curriculum focuses on the use of basic materials to promote each child's self-expression and the development of positive social skills. During the summer quarter, we maximize the use of our beautiful indoor-outdoor environment to encourage physical, social-emotional, and cognitive growth. Our highly trained professional teaching staff and Stanford students in training facilitate this program.

“A Family”

TUITION RATE FOR STANFORD EMPLOYEES AND STUDENTS: Bing Nursery School funds a 20% reduction on tuition fees for children whose parents are regularly appointed Stanford University-paid employees at 50% time or higher and for children whose parents are full-time Stanford University students. Stanford University status is verified on a quarterly basis.

EXTENDED CARE: Extended care is offered for fee to those enrolled in the Nursery School program. For the morning sessions, Early Care (7:45-8:15 a.m.) and Lunch Care (11:45-12:30 p.m.) are available. For the afternoon sessions, Late Care (4:15-5:00 p.m.) is available. Extended Care is by contract on a two-day, three-day or five-day per week basis for the entire summer session. A separate enrollment form for **Summer Extended Care** and the fees for extended care offerings will be included in your Summer Session placement packet, and is for Nursery School only, not the Two's program.

SCHOLARSHIPS: Scholarships based on financial need are available for all programs. Please see the Bing Nursery School Business Manager for a confidential Summer 2012 Scholarship application.
