

Climate Change Policy: Insights from the U.S. and Europe

Program

Monday, March 23

Meeting Location: Caisse des Depots

- 8:30-8:50 Welcome and Introductions
- Robert McGinn, Associate Director, France-Stanford Center
for Interdisciplinary Studies, Stanford University
Michel Garcin, President, French-American Foundation
Lawrence Goulder, Stanford University
- 8:50-9:30 *Keynote Address: Challenges and Lessons from California's
Climate Policy Efforts*
- Mary Nichols, Chair, California Air Resource Board
- 9:30-10:30 *Integrating Climate Policy at the National, Regional, and Municipal
Levels*
- Dallas Burtraw, Resources for the Future
respondent: Xavier Labandeira, University of Vigo
- 10:30-11:00 Coffee break
- 11:00-12:00 *Climate Policy Consequences for the Power Sector*
- Michel Cruciani, CGEMP, University of Paris, Dauphine
respondent: Felix Christian Matthes, Oeko-Institut
- 12:00-13:30 Lunch
- 13:30-14:45 *Promoting New, Low-Carbon Technologies (Dual Session)*
- *An Innovation Strategy for Climate Policy*
Richard Newell, Resources for the Future
- *Promoting Development and Diffusion of New Technologies*
Carlo Carraro, FEEM and University of Venice
- respondents:

Jean-Charles Hourcade, CIRED
Nick Johnstone, OECD

14:45-15:45 *Who Pays for Climate Policy?*

Charles Kolstad, University of California, Santa Barbara
respondent: Lawrence Goulder, Stanford University

15:45-16:15 Break

16:15-17:30 *Panel Discussion: Greening the Private Sector: Industry Opportunities and Policy Alternatives*

moderator: James Sweeney, Stanford University
panelists:

J.M. Gires, TOTAL
Lawrence Goulder, Stanford University
Vincent Mages, Lafarge Group
Ana Palacio, AREVA

17:45-19:15 Cocktails and Reception

Tuesday, March 24

Meeting Location: University of Paris, Dauphine

8:45-9:30 *Keynote Address:*
xxxxx

9:30-10:30 *What Architecture for Post-Kyoto Climate Policy?*

Robert Stavins, Harvard University
respondent: Noriko Fuiiwara, Center for European Policy Studies

10:30-11:00 Coffee break

11:00-12:00 *Reforming International Carbon Offset Regulation*

Michael Wara, Stanford University
respondent: Benoît Leguet, Caisse des Depots

12:00-13:15 Lunch at xxxxx

- 13:30-13:45 *Keynote Address: Climate Policy Challenges in Europe*
Brice Lalonde, French Government
- 13:45-15:00 *What Have We Learned from the European Union's Emissions Trading Scheme? (Dual Session)*

-- *Distributional Impacts of the European Union's Emissions Trading Scheme*
Christian de Perthuis, Mission Climat

-- *The European Union's ETS: Implications for Global Climate Policy Architecture*
Denny Ellerman, MIT

respondents:
Christoph Boehring, University of Oldenburg
Anaïs Delbosc, Club Tendances Carbone
- 15:00-15:30 Coffee break
- 15:30-16:45 *Transforming European Energy Supply in a Carbon-Constrained World*

moderator: Thomas Heller, Stanford University
panelists:
Jean-Paul Bouttes, Electricite de France
Jérôme Gosset, AREVA
xxxxx, BCG
Nick Johnstone, OECD [to be confirmed]
- 16:45-17:45 *Economic Risks vs. Climate Risks in International Agreements to Reduce Carbon Dioxide Emissions*

Cedric Philibert, IEA/SPT/EED
respondent: John Weyant, Stanford University
- 17:45-18:00 Wrap Up
Lawrence Goulder, Stanford University
- 18:15-22:00 Cocktails and Dinner
location: xxxxx
Dinner speaker: xxxxx
