

The Department of Physics, Department of Applied Physics  
and the Geballe Laboratory for Advanced Materials at Stanford University  
cordially invite you to attend

## FetterFest: A Symposium on Quantum Fluids

*A celebration to honor Professor Alexander Fetter  
as he becomes Professor Emeritus  
and to reflect on his teaching and research*

### *Location*

Hewlett Teaching Center  
370 Serra Mall  
Stanford, CA 94305

### *Date & Time*

Saturday, November 10, 2007  
Full day program includes lunch  
and will be followed by a banquet dinner  
at the Four Seasons Hotel, Palo Alto

### *Our Distinguished Speakers*

Eric Cornell, *Prof. of Physics, Univ. of Colorado and NIST/JILA*

Jim Eisenstein, *Prof. of Physics and Applied Physics, Caltech*

Bertrand Halperin, *Prof. of Physics, Harvard University*

Jason Ho, *Prof. of Physics, Ohio State University*

Matti Krusius, *Prof. of Physics, Helsinki University of Technology*

Michael Stone, *Prof. of Physics, University of Illinois*

Please plan to join us and save this date on your calendar.

A program for the event, banquet information and directions to the venue will be sent to you soon.

*If you have any questions, please contact us by telephone at  
(650) 723-4347 or by email at [tice@stanford.edu](mailto:tice@stanford.edu)*

SAVE THE DATE!
