Priority Levels. Please circle the *number and letter* for the level of priority for which you are applying. While these descriptions indicate eligibility, the final determination of priority level will be determined by a combination of eligibility, strength of priority proposal, and answers to the application questions.

1. PRIORITY LEVEL 1

- a. Human Biology Honors,
- b. Declared Human Biology major, OR
- c. Incoming sophomore with intent to enroll in Human Biology core, 2008-2009
(binding for Fall Quarter)

2. PRIORITY LEVEL 2

- a. Human Biology minor (completion of Human Biology Core by Fall 2008), OR
- b. Major or demonstrated interest in a subject area of Human Biology

Priority Agreement. Please initial the following agreements and sign at the bottom.

- 1. I agree to participate in all priority events for the house. _____
- 2. I agree to attend the 1-unit spring Human Biology theme house course. _____

Signature: _____ Date: _____

Please answer the following questions on a separate page.

Priority Proposal. (250-500 words)

Please describe your proposal for a short program or presentation (roughly a half-hour in length) that you plan to carry out as a priority resident in the Human Biology Theme House. Projects that are more complicated and time intensive can be proposed in groups of up to three people. Priority residents will be expected to consult with Human Biology Academic Theme Associates for guidance and advice on implementation of priority programs.

Questions

1. Why do you want to live in the Human Biology Theme House? What do you feel you can contribute to the house?
2. Please list Human Biology and related courses you expect to take next year.
3. Are you planning on going abroad next year? If so, which quarter(s)?
4. Write a Haiku (5 syllables, 7 syllables, 5 syllables) or joke about Human Biology!

Please attach an unofficial transcript with all Hum Bio and related classes highlighted.
