

FROM DARKROOM TO DIGITAL: What is a photograph?

Thursday, February 25, 2010

In recent decades, with the advent of new technologies, the creative possibilities of photography have greatly expanded. Digital techniques, large-formats, and combinations of photography with other art methods are all in use. Visit with four distinguished professional photographers to view their compelling works.

- Meet bus at 8:45 am for PROMPT 9 am departure
- Lunch at a restaurant with an imaginative Hispanic menu
- We will return at approximately 4 pm
