Mandarin Chinese Language and Culture Program

Program Goals

Participating students will:

- Increase their language and cultural competency in Mandarin Chinese
- Maximize their opportunities to succeed in future study of the language and culture and increase their performance in the Advanced Placement Chinese Language and Culture exam
- Earn academic credit equivalent to one semester of Mandarin Chinese language study
- Benefit from cultural activities and special project experiences
- Develop a higher level of language and cultural knowledge by participating in pertinent field trips
- Learn how to utilize technology to enhance their language learning experience
- Be eligible to enroll either in the regular or the Level II Honors Mandarin Chinese course in the 2007-08 academic year.

Eligibility Criteria for Program Participation

Students who meet the following criteria will be considered for Participation:

- Complete successfully a Level I Mandarin Chinese course or its equivalent and be enrolled in the Palo Alto Unified School District
- Pass a placement exam demonstrating a "threshold level" of listening, speaking, reading and writing ability in Mandarin Chinese deemed necessary to successfully participate in the program
- Demonstrate an understanding of Chinese cultural perspectives, practices and products commensurate with the expected level of performance for students who have completed one-year of instruction in Mandarin Chinese.
- Perform basic Chinese word processing functions and display the ability to draft/respond to language-level appropriate e-mail messages and prepare basic PowerPoint presentations
- Commit to devote a minimum of thirty-hours a week to the study of Mandarin Chinese, including participation in scheduled field trips and other related program activities
- Submit parental approval that participant can participate in the program, be video-taped/recorded for the purpose of documenting student performance and to evaluate the overall success of the STARTALK program.
