Driving Directions from Points North

We recommend consulting Mapquest for detailed directions to 616 Serra Street, Stanford CA 94305. The most direct route will likely take you down 101 North to Embarcadero Road. Take Embarcadero west (you will probably see signs for Stanford). Embarcadero becomes Galvez when it crosses El Camino Real. Follow Galvez until it ends at Serra St. and you are forced to take a left. You will see Encina Hall on your left.

You can park in any areas marked with a "P" below, using a visitor's parking permit. Visitor permits are available from the parking vending machine in the lot next to Landau Economics (shown in the map below). You may also use quarters for the metered lot in front of Encina. For more details, see:
