*Dorms, including other campus residential facilities for students are a subset of the Campus category. For example, a burglary that occurs in a dorm will be reported once in the Dorm Category and also once in the Campus category. **Hospital and Medical School statistics are included in the Campus category starting in 2006. ***Every attempt is made to count crimes only once, but due to confidentiality laws, Sex Offenses Reported to University Counselors may or may not, on occasion, also be included in the Sex Offenses Reported to the Police category. The reverse may also be true. (2005 and 2006 Motor Vehicle thefts statistics in the Dorm category have been moved to the correct category: Campus)
