

诺奖得主参观环保能源展

“2007年诺贝尔奖获得者北京论坛——能源与环境主体展”昨天在中国科技馆开幕,参加北京诺奖论坛的14位诺奖得主和知名科学家应邀参观了展览。中国小朋友用废弃的易拉罐、纸板等物品制成的各种手工艺品让大科学家们竖起大拇指。下午4点半,此次北京论坛的最后一项活动“节能减排与可持续论坛”结束,标志着2007年诺贝尔奖获得者北京论坛顺利闭幕。 本报记者 张斌 柳志卿 摄影报道

NOBEL LAUREATES VISITED THE EXHIBITION OF ENERGY AND ENVIRONMENT

“Nobel Laureates Beijing Forum 2007 – Main Exhibition of Energy and Environment” was launched yesterday in China National Science & Technology Hall. Totally 14 Nobel Laureates and very famous scientists in the forum were invited to visit this exhibition. The great scientists thumbed up for the art crafts made from recycling cans and cardboards by Chinese children. The last activity of this Beijing forum “Energy Saving, Emission Control and Sustainable Development” finished at 4:30 pm, which indicated a successful close of the Nobel Laureates Beijing Forum 2007.
