DOI: [10.1103/PhysRevB.80.229901](https://doi.org/10.1103/PhysRevB.80.229901) PACS number(s): 74.70.Dd, 75.25.+z, 74.62.Dh, 75.50.Ee, 99.10.Cd

The values given on the horizontal axis of the inset to Fig. 2 of the original paper should be divided by 10. The subsequent discussion and conclusions are not affected by this error. Figure 2 of this Erratum is the corrected figure.

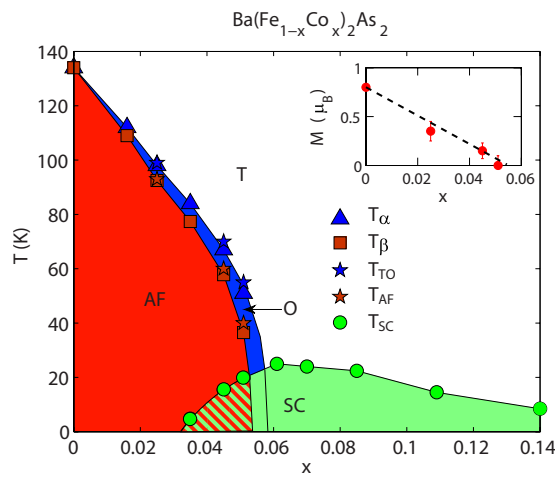

FIG. 2. (Color online) The phase diagram for $\text{Ba}(\text{Fe}_{1-x}\text{Co}_x)_2\text{As}_2$ determined from neutron scattering, heat capacity, and resistivity.
