

An Asking Questions Approach to Design Thinking

For a scene where you noticed a problem, write a question to each prompt then answer those questions. Connect the answers in a design thinking problem statement.

WHO?

Q. _____
A. _____

WHEN?

Q. _____
A. _____

WHERE?

Q. _____
A. _____

WHAT?

Q. _____
A. _____

WHY?

Q. _____
A. _____

Write your problem statement:
