Myra Strober (myras@stanford.edu)

Francisco Ramirez (ramirez@stanford.edu)

Rich Shavelson (richs@stanford.edu)

Joy Williamson (joyann@stanford.edu)

Research Opportunities

Faculty projects within and beyond the Stanford Institute for Higher Education Research (SIHER) offer doctoral students the opportunity to conduct research and work closely with well-known scholars, as do collaborations with local research organizations such as the Carnegie Foundation for the Advancement of Teaching. For information about SIHER research, see <http://siher.stanford.edu>.
