present the

**SCIENCE WITHOUT BORDERS ONLINE ART EXHIBITION**

**A Virtual Science Art Exhibition**

in conjunction with the annual meeting of the  
American Association for the Advancement of Science  
Washington, D.C.  
February 17 - 21, 2011

SCIENCE WITHOUT BORDERS, an on-line art exhibition,  
was conceived to display and promote the best contemporary Science Art and  
to encourage discourse between the scientific and artistic communities.

Designed as a companion to the national meeting of the American Association for the  
Advancement of Science, each selected piece of art will correspond with a symposium topic.

**Attendance at the meeting is expected to be around 10,000, so the virtual exhibit will  
potentially be seen by thousands of scientists, engineers, educators,  
and members of the media, in addition to the general online public.**

**ELIGIBILITY:** The exhibition is open to any living artist. The work must be original and submitted as a digital image. Since the exhibition is on-line, works in any size or medium will be considered. The objective is to present a wide range of scientifically relevant artwork, in a wide range of artistic approaches and scientific disciplines.

Each work must correspond with a topic from the AAAS meeting ([Topics](#)), and be accompanied by a 100-word caption that provides viewers with a science lens—an explanation of the science portrayed—that will help them understand why the image is associated with the Topic. ([Examples](#))

Science Art-Nature will assign a specialist in your field to assist you with this caption, should you desire.

**LIMIT:** There is no limit to the number of entries an artist may submit.

**FEES:** There will be a donation **\$20.00US** for the first entry, **\$15.00US** for each additional entry.  
Please send your check to: [Science Art-Nature](#) Those outside the US, please access our Paypal  
P.O. Box 18754 account through our website: ([Science Art-Nature](#))

**Save 25% (\$5) on your entries by sending your form, jpg, and donation early--by December 10**

**DEADLINE:** All images must be received via email by **December 20, 2010** (but see FEES). We only have room for about 30 images. The vetting process will favor early entries, so we hope to hear from you soon!

**DIGITAL SPECIFICATIONS:** Images must be in jpg format, 600 pixels high at a resolution of 72 dpi.  
If you wish to send a detail, it, too, should be 600 pixels high at a resolution of 72 dpi.

**ACCEPTANCE:** A jury that includes AAAS panelists will approve entries based on aesthetic quality, relevance to the meeting topic, and caption. We will contact you when a decision on your entry is final.

**PERMISSION:** Derivative products (e.g., postcards, and bookmarks) may be produced. If so, we will need permission to include your work—if selected (see the ENTRY FORM).

**Questions?:** Email Carel Brest van Kempfen [cpbvk@juno.com](mailto:cpbvk@juno.com) or Darryl Wheye [darrylw@stanford.edu](mailto:darrylw@stanford.edu)

**Calendar**

**December 10:** Deadline for saving \$5 per entry by submitting form, jpgs, caption and donation.

**December 20:** Deadline for submitting form, jpgs, caption and donation.  
**February 15, 1011:** Exhibition goes online.
