

## **Gendered Noun Phrases**

### **Due February 23**

Our lexicon is full of words and phrases whose situated use embodies gender ideology: e.g. *guy thing*, *chick flick*, *girly truck*. Gather as many adjective+noun phrases like these as you can, both from your memory and from your observations in the course of the week. Based on the combined observations of the people in your group, discuss the gendered meanings embedded in these phrases.
