## Books

Preservation Issues and Planning - good high level preservation overview and planning based on institution type, some information dated

<https://searchworks.stanford.edu/view/12891999>

Preservation of Historical Records – Older source

<https://searchworks.stanford.edu/view/12886246>

Preserving Archives – UK Focused, higher level preservation overview with some more technical/scientific

<https://searchworks.stanford.edu/view/12973066>

Archives : Principles and Practices – High level overview of Archives with a chapter on preservation

<https://searchworks.stanford.edu/view/13051486>

The Special Collections Handbook – UK focused overview of special collections

<https://searchworks.stanford.edu/view/13048684>

Guide to preservation in acquisition processing – Older, library focused, but provides high level guide to thinking about preservation in the acquisitions process

<https://searchworks.stanford.edu/view/12890634>

Preservation and Conservation for libraries and Archives – Provides an overview of preservation as well as basic procedures and treatments

<https://searchworks.stanford.edu/view/12914302>

## General Preservation/Conservation Resources

### Preservation Conservation Education

NEDCC Preservation 101 – 9-part course introducing a variety of preservation concepts

<https://www.nedcc.org/preservation101/welcome>

NEDCC Preservation curriculum – lays out a curriculum for preservation education

<https://www.nedcc.org/curriculum/lesson.introduction.php>

Museum of London Handling museum objects – self paced online course
