UNDERGRADUATE ADVISING AND RESEARCH Especially For Sophomores Programs

We encourage you to initiate personal contact whenever you need help or information. Listed below are names, locations, phone numbers and websites of those who are best informed about each of the undergraduate major departments and special programs. Most departments also offer minors.

Departments listed in italics offer special programs, but not a major. (IDM) after these names indicate that the major can be designed through the Individually Designed Major program. F stands for faculty, A for student services administrator.
